Dear The Lounge,

I'm writing to tell you about how meeting up with an old girlfriend a few weeks back led to the best orgasm I've ever had. Completely out of the blue, my old fuck buddy called me and said she was coming to town to attend a conference and could we get together. I swear my cock stood to attention immediately. "But I'm madly in love with my girlfriend," I told her. "So no funny business." "We'll see," Claire said, and then started laughing.

The second we'd made a plan and I'd put the phone down, I went straight into the bedroom and wanked off thinking about old times. Claire was staying in a swish hotel in London's West End – all expenses paid – so I met her in the cocktail bar.

There we were in a booth in the most dimly lit part of the place when she suddenly said, "You know something, Tom, I've never been able to get the taste of your cock out of my mind." Call me old fashioned, but I knew I was blushing. I also knew that my dick was hard enough to knock nails in wood. "You know what you hinted at on the phone..." I said to her, my girlfriend quickly forgotten. "Hinted?" she replied. "I thought I'd made it perfectly obvious what I wanted to meet up with you again for."

"Indeed," I said. "Well, what are we waiting for? Let's go up to your room and take a walk down memory lane."

"Walk?" Claire replied. "I'd rather take a suck

and fuck down memory lane." Which made us both laugh.

Once inside the room, Claire pushed me back onto the bed and unzipped my trousers. She pulled them down and off along with my boxers, then knelt between my legs. "Ahhh, just as I remember," Claire said. I groaned loudly as she slipped my knob into

“Then she exposed her clit with one hand so I could rub my helmet against it.”

her mouth and tickled the tip of it with her tongue. She deep-throated me, then started sucking – good and hard, just the way I like it. After a few minutes of slurping, Claire took hold of my bollocks and started squeezing them. That did the trick. I went bloody wild, as an orgasm gripped my entire body, causing my thighs to shake. Claire clamped her mouth tightly on my shaft just as I shot a load of spunk deep down her throat. And yes, she swallowed like the horny slut she's always been.

As I lay there with a still throbbing member, Claire stripped off. Both naked, we exchanged tongues and generally stroked and poked each other for a while.

Suddenly, Claire said, "You've got to eat me now... I want to feel your tongue inside me, it's been far too long, baby."

I rolled her onto her back and dived between her legs. Then I pulled her fanny-flaps apart and got my first taste in ages of her juicy, juicy pussy. I closed my eyes as I drilled her with my tongue. Not because I can't look a babe in the pussy when I'm eating her out, but because I know how Claire has a habit of squirting when she cums. I started licking slowly at first, savouring every droplet of her nectar.

In the same way as her oral dexterity had had a quick-cum effect on me, Claire didn't

last long at the mercy of my tongue – and when she came, as predicted, she showered my face with a warm jet of her lovely tasting pussy juice.

We lay in that position until Claire got her breath back. But just as I was about to move to one side, she grabbed my shaft and tugged it towards her fanny. Then she exposed her clit with one hand so that she could rub my helmet against it. So I started playing with her tits. After no more than a couple of minutes, to my utter surprise Claire came again, moaning and writhing about like mad.

As Claire was recovering, I lay by her side with a head full of thoughts about how good it felt to have had her suck me off again after so long – and to be tasting her sweet cunt juice too. In fact, I was feeling so god damned horny that my cock showed no sign of losing its stiffness.

"I've got a little, well, actually a big, treat for you, my friend," Claire said, and then she reached over the side of the bed and pulled a huge vibrator from her handbag.

"I want you to fuck me doggy-style and bang my arse with this beast while you do it." I knew I looked shocked, but I was game for anything at that moment. Claire assumed the position and I crawled behind her and stuck my dick balls-deep in her

juice-dribbling cunt. She braced herself and said, "Now the vibrator." I eased it in slowly at first, but after a couple of inches her bum-hole opened up and swallowed the entire length of it. Claire dug her fingers into the bed and gasped loudly. "My god!" she declared. "Be gentle baby, I swear my pussy's not been stretched like this for a long time!" I turned on the vibrator but only to half speed. It was enough to have the desired effect on Claire, who immediately went into squirm overdrive, but I never expected to feel the vibrations quite so strongly in my cock – and I liked it. Claire went crazy, pounding her fists on the bed and thrusting herself backwards so that both my cock and the vibrator drilled her deeper. Seconds later, I was on the brink of blowing my wad, when Claire screamed, "I'm cumming, you dirty bastard!" She did and so did I, spurting what felt like gallons of the stuff, in what has to qualify as the most amazing orgasm I've ever experienced. Tom, Kidderminster

SuNow, as you'd expect, I'm more of a make love not war type of girl but I do appreciate the efforts of our lads in the armed forces, especially those posted overseas so I thought it only fair to fulfil the second most popular request I get from a lot of them – and that's by dressing up in some army gear. You can probably guess what the first request is.

So lads, how do I look? Because I tell you what, I feel fucking sexy holding this gun, but that's because I always like grabbing something long and hard and capable of firing stuff out the end! Seriously though, you don't think I look too butch, do you? I'll leave that to you guys. I can imagine most of you have

got real firm bodies and great stamina. I even reckon you could give most porn studs a run for their money.

It would be my dream to go on one of those morale-boosting missions to an army base and maybe get to meet some of you in the flesh. Although I probably wouldn't be able to control myself with so many macho men about, just the thought of you all has got me wet between the legs. Hey, I've just realised I've got an unfulfilled fantasy now, to fuck a bunch of guys in the armed forces. I'm going to have to do something about that soon. In the meantime I'll have to indulge in a bit of one-armed combat with myself. And just to show you how much I love you guys, I'll let you all watch. Ready, aim, fire...

We always get a little bit excited when we find out that the lovely Amy Green is going to be in the magazine, she is a Club legend after all! "It feels great to be in the magazine again, I've lost count of the number of times I've stripped off for you guys, but I love doing it getting your readers off." It's not just the readers that get their kicks Amy, we've always got a full office when you're in town! "You'll have to give me the full tour of the offices next time then!"

Sussex-born hottie Serenity is making her debut in Club, but she's already graced the front page of Mayfair and appeared in Men Only. It appears this stunning blonde has got quite the future ahead of her. "I'm loving every minute of it and can't wait to get my kit off again!" Neither can we.

Well, we guess there's a pretty obvious reason why she's known as 'Blondie', but is there any more to it than that, we wonder... "Yes – when I was little I saw a clip of Debbie Harry on the TV and I became sort of obsessed with her. My hair's not really all that blonde, but as soon as I saw her singing I thought she was the coolest person on the planet. In fact, I still do, really! So as soon I as I was old enough I did my hair and I've gone by the name of Blondie ever since then!" Well, it definitely suits you – as does wearing very little!

Boxing Beauties

Private

Starring: Lucy Heart, Baby Nicols, Hannah Vivienne, and Monica Brown.

Synopsis: "Come and discover the world of boxing in Private Gold, Boxing Beauties where the feisty Hannah

Vivienne, Baby Nicols, Lucy Heart and debutant Monica Brown will duke it out and show their true colours for a shot at the title. Prepare for things to get vicious and of course, heated as these girls will not hesitate to go to any lengths to win. Whether it's a threesome with their trainers, DP with their coaches or just a good old fashioned fucking these horny competitors will do whatever it takes to reach their goals, and you will not want to miss a minute! So strap in for a wild ride and get ready to rumble in Private Gold, Boxing Beauties and find out who will win the ultimate Private championship title..."

Verdict: Here are five scenes from director Xavi Rocka, that are ready to knock your block off, well, at least get you knocking one out. By the look of things, Lucy Heart has been training hard as the gorgeous piece sets out to compete in a championship fight, where she is crowned queen. But of course, her celebrations take a naughty turn with her trainer, Kai Taylor, as

she shows him her gratitude with a sloppy blowjob, that quickly turns into a hard ramming and ends in a facial. Teen Monica Brown also gets her turn to

shine twice as hard with a ringside double penetration. While Latino Baby Nicols and sparring partner Hannah Vivienne take their gloves off and dive into each other with their trainer Dorian del Isla. This is a heavyweight champion of a movie.

Sex, Brits & Rock'n'Roll

Private

Starring: Ella Hughes, Stella Cox, Samantha Bentley, Lucia Love, Rina Ellis, Taylor Sands.

Synopsis: In our new Super Production, directed by Porn's man of the moment,

Disanto, busty music producer Zara (Lucia Love) puts her talents to the test to help boost her friend's career. In Sex, Brits & Rock n'Roll, gorgeous Sex Pistols, Stella Cox, Ella Hughes, Rina Ellis & Taylor Sands will do anything for fame, whether it is sucking, fucking or darn right rocking out on a big fat cock! With some impressive anal adventures and some intense Trios that make free love at Woodstock look like church on a Sunday, these sluts fuck their way into the Rock 'n' Roll hall of fame... and they are all covered in cum!

Verdict: We all know the music business is wild, but director Disanto is showing us

another side that has rock and rhythm of another kind as they attempt to re-launch Bentley's career. With anal introductions from Lucia Love, who goes all out deep throating Marc Rose till he's harder than steel. He returns the favour with a rampant sharting in every hole the dirty Lucia has. Before topping it all off with a lorry load of spunk up her arse. Ella Hughes is having some production issues, but

her strumming skills are second to none. When her well-hung guitarist decides to reveal all his tattoos, Hughes is fired up, and the pounding destruction that ensues is vigorous, to say the least. But things get interracial with Stella Cox on the scene, as her natural big tits and pussy take a sucking before the anal queen dons her crown, for some tight action from an enormous cock. Just like a good stew, it's got a bit of everything.

We would like to introduce you to Club's latest debutant, Daisy May, and we know that she's going to be a real hit with the readers. Why, might you ask? Well, she's got a lovely smile, piercing eyes, a fantastic arse, and quite a set of tits on her. We think that ticks all the boxes. But why did she choose Club for the grand unveiling? "I've been wanting to do it for years and when the opportunity came along I jumped at it with both legs open!" Yes, we can see that! "My boyfriend is just going to die when he sees the magazine, I can't wait."

Well, Blimey, it feels like an eternity since we've seen stunner Sammi in Club Magazine. Still, they say good things are worth waiting for, and if that's true for a pint of Guinness, how much truer is it for a set of pix of this babe stripping off to give us all an eyeful of her stupendous bod! "I'd certainly like to think I'm more of a treat than a pint of Guinness!" she snorts. "For starters, I can't stand

the stuff, mind you, a pint of Guinness is judged by a good head on it and I'm renowned for giving good head, so maybe that's what we have in common!" Well, each to their own, Sammi – and perhaps avoiding stout will mean you'll never have to worry about becoming, erm, stout yourself. Not that that looks like it'll ever be a problem! "If I need any advice on how not to end up too stout, I know where to come!"

NOT SO CLEAN!

I've been working with a cleaning agency for the past couple of years. It started off as a temp thing but I got to like it, and it pays well so I don't reckon that I'll be changing jobs for a while.

One of the best things about working for an agency is that you get very little interference in your work. Just keep up a good standard of work and there will be very few complaints, so you can lead a pretty stress-free working life. Some jobs we work there is very little contact with the client, but other times I do places where the customer works at home and we need to be able to clean around him or her. Even so, most people who use the agency's service are out when we arrive, but, as I said, there are

exceptions, like one guy who works at home for an IT company and is packing in so many hours that he hasn't really time, or any real willingness, to clean up after himself.

Tell the truth, I was appalled at the state of his place when I went there first.

We are there to clean, not tidy up or pick up after people, but his pad looked like a bomb had hit it.

Fortunately, Jack is charming and gives me extra cash in hand for helping him out on the mess front.

The arrangement works well for both of us, and, while I appreciate the extra money, Jack has other qualities which keep me coming back time and again. Besides his skill with a computer, his biggest asset is his massive cock. How would I know? Well, I'm happy to say I've been on the receiving end of its

talents for over a year now! He has satisfied me so often in fact that I've never missed a Monday cleaning at Jack's from the very first time he shagged me. It's not just the size and thickness of his cock that keeps me coming back

for more but the way he uses it to give the maximum pleasure to the lucky girl.

I really love cleaning his place now, despite the masses of cans and pizza cartons left strewn on the floor. In fact, last Monday was one of the best times I've ever enjoyed with Jack. We tried something entirely new and I loved it.

Once the flat was cleaned up, Jack called me through to the bedroom. He was waiting for me stark naked with a massive erection

that made my pussy moisten just looking at it. Of course I was half-way across the room in a flash, ready to go down on him, but he stopped me and asked me to strip for him while he masturbated.

As slowly and sensually as possible I peeled off my clothing. I stroked my firm boobs and pinched my nipples erect as I watched him wank his huge, circumcised cock.

Soon he was so hard it was incredible, and a tiny trickle of pre-come rolled out of his

pee-hole and over his engorged cockhead, making my fanny tingle in anticipation. Then Jack asked me to sit on the bed and tied a black silk blindfold over my eyes. My body quivered with anticipation as he pushed me onto my back and spread my legs. He asked me to reach back behind me and hold on to the bars of the brass bedhead. He made me promise not to let go, no matter what he did. My whole body felt extra sensitive as his fingers lightly caressed my skin. However, after only a few moments of this treatment, my whole body ached for a fucking and I begged Jack to shag me. I longed to release my hold on the bars and touch my pussy, but Jack asked me not to. So I stayed in position while his caress teased, tortured, and pleased me. My pussy ached and my nipples tingled as Jack began to use his lips and tongue to further stimulate me. This time, though, he was less gentle, nibbling and biting my

sensitive areas. It drove me wild. My body was pulsing with intense sexual pleasure as he bit and kneaded my fanny and tits. All of a sudden I gasped as I felt something wet and freezing being dragged across my nipples. My nerve endings jangled as jolts of electricity pulsed through my body as if my nipples were wired directly to my pussy. The naughty bastard was using ice cubes, and it felt fucking fantastic. My body glowed where they'd been drawn over me, and I shivered as he dragged another cube further down and rubbed it slowly against my pussy lips. Then I felt Jack moving on top of me, and I spread my thighs as he pushed his large cock against my slit. My pussy was throbbing from the recent icy stimulation and I felt so horny that I pushed my crotch up to meet him. With one quick jab he filled my aching hole with his big cock and I grabbed onto

“**A tiny trickle of pre-cum rolled out of his pee-hole and over his engorged cockhead.”**

him, wrapping my legs around him as I drew him as far inside me as I could.

Being unable to see seemed to make the sensations far more intense and my whole body tingled as Jack began to fuck me slowly. I raked my nails down his back as he upped the pace, fucking me faster and deeper. I tossed back my head and almost screamed with pleasure as his great cock pounded my super-sensitive slit. Then, out of the blue, he abruptly tweaked both my nipples, making my body jump about six inches off the bed with the thrill and surprise of it. I came, my back arching as I felt Jack bury himself to the hilt in me and begin to come, pumping his thick wads of cream inside my throbbing pussy.

BEACH HUT FUCK!

I'm now in my final year at college and, as well as knowing I'd have to buckle down to study this year, I also realised this would be my last opportunity for a mega-long summer break. Once I graduate I'll be looking for a job! So I decided to do Thailand on a shoestring budget, liv-ing in a hut on the beach.

I wasn't sure at first – I'd never stayed anywhere so basic. But I gave it a couple of weeks and ended up loving it, especially when I met a bloke called Luca. He was Swedish, probably spoke better English than me and was fit as fuck! If it wasn't paradise then it was pretty close – Luca had the biggest, hardest dick I'd ever played with and just messing around with each other un-der the stars – or in the sea, when we could get away with it – was such a turn-on.

Obviously, we didn't keep ourselves to ourselves all of the time. We met loads of people, but had the most fun when another Brit – a lad called Ryan – moved into the hut next to ours. By this time I was all tanned, more toned (from all the fucking and exploring we had been doing) and had got used to wandering around with not much on. This apparently made me Ryan's wet dream. Of course Luca – who had an evil sense of humour – got off on me winding Ryan up, wandering around in my G-string bikini, and so on.

One afternoon, I was lazing around the hut when Ryan crept in as quietly as he could. "Ryan's having a wank next door!" he said. I'd been listening to my phone, but when

I switched it off, I could hear him moaning. He didn't actually call my name, but Luca reckoned he was definitely thinking about me while spanking his monkey. Luca then said we should really give him something to get excited about. It was always hard to say no to him, especially when he had a hand in my knickers! As he fiddled away at my clit, I was all but purring with pleasure. I'm a bit of a moaner and screamer anyway, but this time I laid it on really thick for Ryan's benefit. All Luca was wearing was shorts, so I got his cock out over the elastic and started giving him one of my special blow-jobs. I gave a running commentary right up until my mouth was too full to talk, and then Luca took over, telling me to suck him good, loud enough for Ryan to hear.

The idea of some bloke getting turned-on by our fucking got me all wet and excited. We were keeping half an ear open for Ryan's reaction – and soon realised he was now outside, watching us through a tiny gap at the side of the bamboo window-blinds. And, as far as we could tell, he was still wanking away.

"Oi, mate!" Luca said, sounding scarily English, "Come and join in the fun if you want, don't stand out there!" We assumed he'd bolt – I actually felt sorry for the poor sod. But instead he stood exactly where he was and asked if we really meant it. I still had a mouthful of Luca's cock, but I nodded. I was still sucking when Ryan walked in. He had a pair of baggy swimming trunks on and one hand down them, but I felt my eyes go wide when he pulled out his cock. He was one of those little blokes who somehow manage to be massively well endowed. Even Luca looked a bit taken aback when I shot a glance up at him.

He responded by grabbing the back of my hair, not roughly, but letting me know he

“Ryan walked round to the front of me, wanking his cock at my eye level.”

a bit harder.

As I let out a groan, Luca started giving it to me harder, too. One minute he'd be thrusting in and out really fast, the next, he'd just bury his cock deep in my hole, grinding hard up against my slit and crack. A couple of times he shoved me forward, so I took Ryan's prick right down my throat. In the end, I curled my fingers round Ryan's root, so I had some control over how deep I was taking him – you need it with a cock that size! But this also meant I was able to let him just fuck my mouth.

So there I was, on all fours in a beach hut, one big cock pounding away at each end. Luca slowed down a little bit now, pacing himself but I kept up the suction on Ryan. He didn't even try to resist. The second I felt that little twitch that said he was close to coming, he just groaned, “Yeah...” and the next second I was taking two ripe bollocks-worth of spunk down my throat.

Still reeling from this he made a move for the door, but I told him to stay where he was. I wasn't finished with him yet.

Luca was fucking me too hard and fast to last, and a couple of seconds later he pulled out, spraying my arse, then using his cock – still hard – to trace patterns in the mess and rub it all down my crack.

I did let Ryan nip out to get his bedroll, then I just lay in between the boys, letting them have their fun with me. I told them the first one to get hard again could do me up the arse, but Ryan settled for fucking my pussy, while burying his thumb in my backdoor. Luca just took things easy, wanking slowly until he was ready to take another sucking, and when Ryan shot his load up my cunt, he was ready to take over fucking me again. I don't think there was one time a hard cock wasn't waiting when I needed one, and I didn't leave the boys hanging around either.

Unfortunately, Ryan was travelling around the country, so we only saw him for a few more days. After that, Luca and I kept it on a one-on-one basis, until he left to go back to Sweden.

We spent our last weekend together banging each other senseless, so much so I practically bathed in his spunk!

I'll always remember my time in Thailand – it was definitely the trip of a lifetime! Chloe, Chichester.

wanted me to carry on sucking him. I really went for it, taking him in deep and rubbing his bollocks against my chin. Ryan still wasn't sure exactly what to do, so he just stood there wanking away. I got this tingly tightness in my pussy so, as I sucked on Luca's cock I started frigging myself, three fingers up my wet snatch.

At last, Ryan got the message and moved towards me, but Luca suddenly pulled out of my mouth, got in behind me and stuck his cock into my cunt.

Ryan let out a groan, gritting his teeth – frustrated or maybe just turned on by what he was seeing. I felt a bit pissed off with Luca getting possessive, but I didn't have to feel disappointed. I licked my lips, moistening them, and Ryan walked round to the front of me, wanking his cock at my eye level.

It looked so huge, the tip of it all purple and engorged, so I started by licking it all over. He tasted sort of meaty and salty, hot against my tongue.

I thought he'd blow at any second but when he didn't, I started sucking him in a bit further,

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

CAM PHONE CONFESSION!

I've been with my girlfriend Tammy for about four years now and I'm pleased to say we have a very healthy sex life.

We're maybe not as active as we were when we first started going out with each other, but then again, who is? But we still manage to keep each other happy on a pretty regular basis. Right from when I first met her, I could tell she was going to be sexually adventurous; from the confident way she carried herself and also by the fact that she has a couple of tattoos and also has her belly button pierced. Tammy's pleased with and proud of her body – yet despite many previous promptings from me she's never let me take nude photos of her. I think that's down to the fact that she doesn't entirely trust me to be discreet with a bunch of nude pics of her. As if I'd show my mates down the pub!

Anyway, one Saturday morning while she was down the gym I was relaxing in bed with the latest copy of Club. I was having a bit of a sly wank while flicking back and forth between the stunning models in that month's issue (one of your best by the way), thinking I had at least an hour to myself before Tammy got home. How wrong I was. With my cock nicely stroked to hardness all of a sudden the bedroom door swung open.

Tammy was briefly speechless before starting to laugh and giggle. "Bloody hell, look at you. So that's what you get up to when I'm not around. What's the matter, I'm not good enough for you, is that it?"

With my cock in one hand and Club in the other there wasn't really much I could say to placate her. Luckily I'd detected a hint of cheekiness and mock outrage in Tammy's voice so I decided to chance my luck. "Oh, come on Tammy, I've said many times that you have a body good enough to get in this mag. I'm always trying to take photos of you. You turn me on big time."

She didn't respond at first and instead stared at me as she took off her tracksuit bottoms. All she had on underneath were her silky white panties.

Immediately my cock twitched with excitement. She then peeled off her tracksuit top to reveal her tight pink t-shirt. I could see straight away that she wasn't wearing a bra underneath and that her nipples were slightly stiff.

"See, I actually think you're turned on by the thought of me taking pictures of you. You're

just too scared to admit it." I carried on stroking my seven inch cock as I said it, hoping to entice Tammy to rise to the challenge. She sat on the bed next to me and replaced my hand with hers. "So if I let you take photos of me, what do I get in return," she said as she ran her middle finger up and down my shaft.

"The best shag you've ever had and my eternal gratitude – in that order," I replied as I reached over to my bedside table for my mobile phone. I quickly put it in camera mode and aimed it at Tammy. She giggled nervously and got into an exaggerated model pose with her hands behind her head and her chest sticking

"She groaned loudly as every inch of me settled inside her wet hole."

out. "Lovely, now lift your shirt so we can see those cracking tits of yours." Tammy did as I asked and peeled up her tight shirt over her braless boobs.

Her nipples were rock hard; she was clearly very turned on and excited to be in front of my camera. "Okay, now get on all fours and show me that lovely arse of yours." I gulped as I said it. Seeing Tammy so compliant and up for it was making my balls ache. I zoomed in for a great shot of her arse neatly split by the thin white material of her panties.

Before I even had chance to ask her to take them off she had already done so. Tammy grabbed my phone and pointed it at my stiff cock.

Then, without pausing, she sank her mouth onto my dick and began sucking me off – taking pictures as she did so.

This was turning out a million times better than I ever expected. I took the phone back from her and got a great picture of her deep throating me; her cheek was bulging with my length inside it.

She then rolled off me and pulled off her t-shirt so she was totally naked and laying

beside me. I ran my hand over her boobs and pinched at her nipples before working my way down to between her legs. She was sopping wet so I worked in two, then three fingers and rubbed at her clit with my thumb. "Get a close-up of my pussy," she whispered in my ear. I got between her legs and snapped a great picture of her holding herself open for me. I dropped the camera and dived headfirst into her moist cunt. I licked all the way from her arse up to her soaking, swollen clit and enjoyed the sensation of Tammy pushing her pussy into my face.

Tammy loves it when I take her from behind so when she rolled over on to her knees I knew exactly what she wanted.

I pulled her closer to me then steered my expectant cock deep inside. She groaned loudly as every inch of me settled inside her wet hole. I held on to her lovely arse cheeks and powered home my cock with every thrust. Tammy had her hand between her legs and was rubbing furiously at her clit, moaning loudly as she did so.

I closed my eyes and carried on pumping, enjoying every sensation until I could last no longer. Quickly pulling out I sprayed thick wads of hot spunk all over Tammy's arse and watched as it dribbled down her smooth skin. We then collapsed on the bed together to review the photos we took. Tammy would only let me send you these photos and not the really naughty ones, but we hope you can use them anyway!

TRAIN JOURNEY HOME

The most incredible orgasm I ever had, came on a Virgin Train one rainy afternoon on a boring journey up North. I don't know if it's because the whole thing was so unexpected, but I swear I came so hard I thought my balls were gonna burst.

My girlfriend is from Manchester, and we were on our way to visit her parents. I was nervous because it was the first time she'd invited me to meet her Mum and Dad, and I've never really been very good with the whole 'girlfriend's parents' thing.

Anyway, I was just trying to keep calm and make the best of the boring train ride, when Tiffany started getting restless, complaining she was bored. She's quite a mucky bird anyway, so it wasn't much of a surprise when she started rubbing my dick through my jeans, and suggesting we have some fun to kill time. I'm not one for the whole sex in public thing, and looking around I could swear all the other faces on the train were staring at us. I tried to dissuade her, but I'm only human and seconds later I had a huge erection. But this just seemed to spur her on. "Feel my pussy, Babe," she giggled in my ear, "you know you can't resist..."

She knows me well enough, and she knew I'd be aching to slip my hand inside her knickers and feel her hot, wet pussy.

But on

a busy train in the middle of the afternoon? Jesus, I was shitting myself! Especially when she forcefully shoved my hand up her skirt and pressed it hard against her fanny. Her knickers were totally soaked, and she moaned softly as I allowed my middle finger to rub gently up and down her slit. And for some reason the fear of getting caught just made my cock even harder. All I could think about was fucking Tiff senseless.

With a new sense of daring that, to be honest, was a little unlike me, I pulled the gusset on her panties to one side and slid two fingers deep into her pussy. Tiff bit her lip and shut her eyes tightly, her face all red as she tried to stifle her groans.

I manoeuvred my thumb onto her clit and rubbed quickly, pumping my fingers in and out of her slippery hole, and within seconds she was biting my shoulder, her pulsating tunnel going crazy, hidden under her jacket. "Now I'm gonna suck your cock," she whispered. "No-one will notice if you put your coat round us."

She didn't wait for me to protest (not that I was going to!), and her lips were round my knob in seconds, sucking and licking like crazy. It felt amazing, and my balls were really tingling as she worked her head up and down my shaft,

nibbling and teasing. I just about jumped out of my skin when the ticket bloke approached, but Tiff just rearranged my coat and pretended to be asleep on my knee, before taking my dick back in her mouth once he'd passed by. My balls were really churning, and I could feel myself getting close to cumming, but Tiff, the little minx, had other ideas and suddenly stopped what she was doing. "Not so quick," she said, shoving my boner back in my jeans. "Go to the toilets and I'll meet you there in a minute."

I ran to the toilet and waited, my hard dick bobbing about in time with the

train's movements. Then the door opened and closed, and Tiff was simultaneously wriggling her skirt up her thighs and pulling open her top so I could suck her tits. As I sucked hard on her stiff, perky nipples, she let out a low kittenish moan that got my cock jumping again.

"You want me to fuck you then, you dirty cow?" I asked, roughly pushing her against the sink, slipping two fingers into her pussy again.

"Oh yeah," she replied, "fuck me!" I pulled my jeans and boxers down around my ankles then positioned Tiff bent over the toilet. My cock was really throbbing hard now, so I took it in my hand and pressed it against her soaked, pink opening. Slowly I pushed into her, and I swear her cunt around my cock has

never felt so amazing. Soft and wet and tight, she gripped my dick as I pushed all the way into her, and she moaned as I slid out and then in again. I don't know whether it was the public location or what, but it was like nothing I'd ever experienced. Within seconds Tiff was wailing so loudly I had to put my hand over her mouth to keep the noise down. The harder and quicker I fucked her, the more intense the sensations in my dick became and the

tighter her cunt squeezed. From the dirty squeals she was making, it was obvious Tiff was fucking loving it, and it made me even hornier the way she was grinding her bum against me, frigging her clit with her fingers as I thrust.

As my balls tightened, I knew I couldn't put

"She gripped my dick as I pushed as I pushed all the way into her."

it off any longer and thrust into her one last time, sliding as far into her as possible. And even I was astonished at the force of my explosion. My legs shook, my heart pounded and then I was blowing my load, spurt after spurt, thrusting up into her with each spasm of my dick, until finally my legs buckled and I collapsed back against the door.

We tidied ourselves up and made our way back to our seats, and from the funny looks we got from the other passengers, it was clear they knew exactly what we'd been up to. But I didn't care. It was the best fuck I've ever had, and I've never come that hard again. Though it hasn't stopped me trying! Carl, Woking

Natalie

We'll Natasha says that she couldn't be happier with her life, "I often work hard, but it means I can get up when I want and live in any country I like, which at the moment happens to be sun-drenched California. I feel like the world is my oyster, which is fantastic." Is there any chance you could rub that feeling off onto us? "I'll try and teach you my secret." You have our attention, mind, body and soul.

DOWN THE WIRE

4 YOUR EYES ONLY

This is not for the squeamish! Kim Goodman from the USA has the ability to pop her eyeballs out from her face. Goodman discovered she could pop her eyes from her skull after being hit in the head by a hockey mask. The scientific term for this is "Proptosis"

meaning the ability to pop your eyes from your head. On November 2, 2007, in Istanbul, Turkey, Goodman popped her eyes 12 mm from her eye sockets and broke a new world record in doing so. The record was measured by an optometrist, using an optometer a total of three times to get an average distance, so you can't really argue with that can you?

TONGUE TIED

Over the course of three days, the world's longest kiss took place to mark the sharing of love on Valentine's Day. The kiss took place between February 12&14 in 2013, and lasted for a whopping 58 hours, 35 minutes, and 58 seconds. Ekkachai Tiranarat and Laksana Tiranarat from Thailand were the loving couple to win the world record. Not only did they win the World Record, but the annual competition offered a cash prize and two diamond rings to the winning couple.

TONGUE TIED

Bibi is a domestic short-haired cat with many talents, one of which is balancing dice on their paw, yes that's right, dice. This cool cat lives with his owner, Siew Lianchui, in Malaysia, and she definitely comes under the definition of being a crazy cat lady! On June 18, 2017, Bibi managed to have

ten dice stacked on his paw without moving. Who comes up with these things, someone with too much time on their hands probably? Looks a bit Photo Shopped to us!

SURFS UP!!

Surfing is usually regarded as a one-person sport, where adrenaline seekers paddle out into the ocean searching for the biggest wave. Don't think be seeing anyone in our offices trying anything quite so as athletic! But, on June 20, 2015, at Huntington Beach, California, 66 people crammed onto one surfboard to break a new record. The previous record was for 47 people on one board, so you could say they smashed it out of the park with this attempt. Firstly, you might be wondering, "how does everyone fit onto one board?" We're wondering why they'd even be bothered to try! Well, a custom-made board with a length of 42 ft was designed for the attempt. It's not even a great story to tell you mates down the pub.

SURFS UP!!

A British man named Garry Turner has a world record for the stretchiest skin, due to a disorder called Ehlers-Danlos Syndrome. Ehlers-Danlos Syndrome is a condition where there's a problem with the tissue that connects skin, ligaments, and organs. The collagen in the skin is affected, meaning that the skin can

become incredibly stretchy. This means that Turner is able to stretch his stomach skin 15.8 cm away from his body. He won the record on October 29, 1999, on the other side of the pond in Los Angeles, USA. We wonder if there's a record for the stretchiest penis?
